

Lebanon Area Veterans Memorial Board
Meeting Minutes
March 29th, 2021
10:00 am City Hall Council Chambers

In Attendance:

Veterans Memorial Members: Donna Mason, Simon Westerfield, Marvin Basnett, Howard Reagan, and Andrew Barnett. Guests: Mayor Jared Carr, Elliot Wilburn, Chuck Jordan, Laina Starnes

Donna Mason called the meeting to order

Helicopter Display:

Mayor Carr reported that he received an email from the U.S. Army Donations Office and the email states that the Board will need to reopen its request every 3 years to be eligible for a piece of military equipment and they must also have a resolution on file for the request. He said that he would present the resolution to council at the next meeting. He also stated that he thought the city could match the funds raised by the Veterans Board to get a piece of equipment for the Veterans Memorial. Laina Starnes commented that the Board would need to have pictures of the layout of the memorial and pick a place to display the equipment,

Chuck Jordan asked if anyone has been contacted by TACOM because he was called by them and under the impression that they have a helicopter that is available to the Veterans Board. He said he would reach out to them again and get more information.

A motion was made by Marvin Basnett to earmark \$2,500 in funds towards getting a piece of military equipment for display with the hopes that the city would match the \$2,500 in funds. Howard Reagan seconded the motion. All approved.

Elliot Wilburn commented that the bricks are starting to fill up the memorial and a new location to add bricks would need to be looked at for future plans.

A motion was made by Marvin Basnett to adjourn. Howard Reagan seconded the motion. All approved.

Respectfully submitted

Donna Mason
President of the Board
