Helicopter/ Tank Display:

Mike Schumacher reported that the bid had been awarded for the work to display the tank and helicopter and the steel has all been ordered as well. He said no timetable has been set yet though. He also stated that Willard Asphalt will transport the tank to the memorial if the city pays for all department of transportation permits. He also stated that the tank is in better shape than the helicopter was and that it shouldn't need painted, and that the city would clean up any rust spots. Donna Mason said she spoke with the Mayor and he was hoping for the work to be completed and the dedication to take place at the Veteran's Day ceremony. Dean Marrow asked if the helicopter would have any lights on it and Mike answered that he would like to have working lights on the helicopter and tank.

Purple Heart Day/ Veterans Day Ceremonies:

Donna reported that the Purple Heart Day ceremony would take place on August 7th and be held at Mount Rose Memorial Cemetery. Representative Jeff Knight will be the guest speaker. She also reported that the civic center foyer has been reserved for the Veterans Day ceremony and that she is working on getting the programming together to discuss at the next meeting.
