He said the closing of the pool on Mondays has really helped with the labor cost for guards.

John reported that the Park budget year ended on June 30th. He stated that park activities and concessions have had a great year. He will present a full report to the Board once the budget year is closed out with all expenses and revenues finalized.

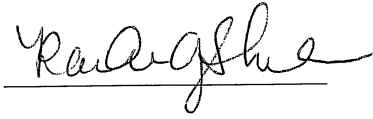

Comments from the Board:

RaeAnn said that she had got asked about why Nelson Park does not have any scoreboards installed? Elliot answered that the main reason is that there is not anyone to run them. He said the ones at Atchley are currently never used and that most places use the gamechanger app and do not have working scoreboards.

Comments from the Public:

John commented that he has had lots of compliments about how helpful the lifeguards are at the pool this year. Elliot also said he had a text from someone that rented the pool, and she was very complimentary of how great the guards were and made their party a great experience.
