A motion was made by Marvin Basnett to approve the August 3rd minutes. Andy Barnett seconded the motion. All approved

**Helicopter Display:**

Mayor Carr reported that a AH1 Cobra Helicopter had arrived on Tuesday and it is being stored out at public works. It will be stored at public works until it can be painted and be ready for display. He also said that he emailed the army donation office to make sure we were still in line to receive a tank as well. He would like to get the concrete engineer drawings to include both the helicopter and the tank, so we aren't having to have 2 sets of drawings. The thoughts of the Board were still to have the helicopter on a pedestal above the tank. Mayor Carr said he would love to have it on display and ready to go by Veteran's Day if possible. Donna Masson asked about donations for the concrete work? Mayor Carr said that Lebanon Ready Mix was still a possibility to provide the concrete, he also stated that his plan is for all funds for the project to come from the City and not the Veteran's Board. He wants this project to be a staple of the community and a way the City can honor veterans. Donna commented that this is something that shows the veterans that the community cares for them. Marvin Basnett commented that in the future he would love to see a small shelter and some picnic tables added to the Veteran's Memorial.
